Dells Boat Tours Just the Ticket for Relaxing Cruises to Adrenaline-Filled Adventures

WISCONSIN DELLS, Wis. (May 15, 2022) – Whether it’s taking time away from the bustle of the busy Wisconsin Dells on a leisure cruise or seeking out a more thrilling adventure on the river, Dells Boat Tours is just the ticket. From early spring through late fall, visitors can see the famous Dells on a relaxing boat excursion, seek out a fast-paced adventure or dare to embark on the Wisconsin River at night.

Daily Excursions Feature Breathtaking Scenery

Traditional boat tours offered from mid-March to early November are one of the best ways to experience the famous Wisconsin Dells and get up-close views of the towering sandstone bluffs that stand sentinel along the Wisconsin River. The waterway is separated by a dam, offering two different tour options for sightseers. The most remarkable views are found on the [Upper Dells Boat Tour](#). The two-hour excursion winds its way upriver with guides providing details about the channel, its famous rock formations, native species, and the earliest settlers.

The tour also features two renowned shorelandings exclusive to Dells Boat Tours. Passengers disembark at Witches Gulch, a shady gorge that cuts deep into the riverbank, a boardwalk leading the way into the extraordinary cavern. A second stop takes visitors to the famous Stand Rock, a towering rock outcropping where a trained dog jumps the five-foot gap from the main cliff, a classic photo-op for generations.

Visitors wanting to see the entire stretch of Wisconsin Dells can complete their journey on a [Lower Dells Boat Tour](#), saving money by purchasing the two tours as a package. The Lower Dells features peaceful, beautiful scenery and guided narration.

Sunsets, Serenity, and Surf n' Turf

Mother Nature puts on a show nightly in the Dells as the setting sun casts a canopy of rich colors against the towering sandstone cliffs. Visitors can absorb the beauty when they steal away for a [Sunset Dinner Cruise](#). The relaxing culinary excursion features a surf n' turf meal, live musical entertainment, and a walk through a torch-lit canyon.

“At the end of a long summer day, passengers can relax and enjoy the beauty of the rocky cliffs at dusk on a dinner cruise; it really is the most breathtaking time to see the bluffs,” said Dan Gavinski, general manager of Dells Boat Tours.

The popular boat excursion begins with a complimentary open bar for the first hour upon boarding, with a cash bar available for the remainder of the cruise. Live music sets the stage for a relaxing trip, featuring regional musicians entertaining guests throughout the evening.

Guests enjoy a grilled surf n' turf dinner prepared by the chefs of Chula Vista Resort. The main entrée includes a 5.5 to 6-ounce sirloin steak and four jumbo shrimp served with potatoes, market fresh vegetable, green salad, and dessert. An assortment of soft drinks is included.

As night falls, the Sunset Dinner Cruise makes a stop at the beautiful and mysterious Witches Gulch, a canyon winding deep into the shoreline. Torches light the boardwalk and guests can disembark and take a leisurely stroll into the peaceful gorge.

Visitors can take in the scenic nightcap beginning with the first cruise of 2022 on Sunday, May 29 of Memorial Day weekend. During peak summertime the Sunset Dinner Cruise is offered nightly, with some date variations. A full calendar is available online at [dellsboats.com](#). Sunset Cruises run through Saturday, September 17. Reservations are required and can be made online at [dellsboats.com](#) or at ticket booths located throughout Wisconsin Dells.

River Adventures with a Rush

For those up for an adrenaline rush, [Jet Boat Adventures](#) serves up excitement on the river with a fast-paced thrill ride featuring spinouts and big waves of water. At night, passengers can test their nerves as the ghouls scare things up on the Ghost Boat tour to spooky Cold Water Canyon. [Ghost Boat: Journey into Haunted Canyon](#) is offered nightly from Memorial Day weekend through Labor Day and weekends in September and October.
