Jet Boats Deliver a Summer Cool Down in Wisconsin Dells

WISCONSIN DELLS, Wis. (June 10, 2020) – It is a pure adrenaline rush on the water, featuring spin outs, power stops and waves of water. It’s not the latest Wisconsin Dells waterslide; it’s Jet Boat Adventures, Wisconsin Dells’ premier jet boat experience.

The fast-paced trip aboard high-powered jet boats takes passengers on an exciting ride as expert pilots perform spin outs and power stops creating huge waves of water that leave passengers drenched.

“The Jet Boats are definitely more of a thrill ride than a boat tour; and prepare to get wet, because that’s a big part of the fun,” said Dan Gavinski, general manager of Dells Boat Tours.

Jet Boat Adventures are revved up to run all summerlong offering a unique way to get wet in the Waterpark Capital of the World®. You can ride in your street clothes, but bring a towel, because our pilots are great at maneuvering the boats to generate big sprays of water.

The super-charged boats are fueled by up to 1200-horsepower engines. They are designed to skim the water with the help of powerful air jets that allow them to travel in water as shallow as 12 inches. The 50-minute ride focuses on high speeds with expert pilots throttling the Jet Boat up to 40 mph to perform maneuvers, all set against an awesome scenic backdrop.

“Our experienced pilots know the river well. They serve up quite an adventure and along the way they throw in some interesting facts about the Dells’ famous scenery,” said Gavinski.

Jet Boats operate on both the Upper Dells and the Lower Dells with ticket booths located at either end of the bridge over the dam where the Jet Boats launch from the boat docks. Tickets can be purchased online at www.jetboatadv.com. Prices are \$30 for adults ages 12 and older and \$15 for children ages 4 to 11. Parents are advised that children ages three and younger are not permitted to ride the Jet Boats.

For those who would like to take a more leisurely river excursion, Dells Boat Tours offers money-saving combination packages with Upper Dells or Lower Dells boat cruises as well as with Original Wisconsin Ducks amphibious tours, giving visitors a variety of ways to get on the water to see the beautiful river bluffs.

Jet Boat Adventures 2020 season runs through mid-October. Call for departure times during the late spring and early fall as they fluctuate with the weather. Otherwise, visitors are sure to catch a Jet Boat ride every 30 – 45 minutes 10:00 a.m. to 7:00 p.m. during the peak summer season.

The splash-and-dash Jet Boat Adventures are one of several tour options offered by Dells Boats Tours. For over 165 years, Dells Boat Tours have been a mainstay attraction in Wisconsin Dells delighting travelers of all ages. Tours run on a 7½-mile stretch of the Wisconsin River giving vacationers an up-close view of the rocky cliffs that are the signature of Wisconsin Dells.
