## **Jet Boats Rev up the Water Action in Wisconsin Dells**

WISCONSIN DELLS, Wis. (April 26, 2021) – Nature’s water provides the cool down along with a burst of adrenaline, aboard Jet Boat Adventures on the Wisconsin River. Summertime brings the opening of the Wisconsin Dells’ premier powerboat experience, a different way to get wet in the Waterpark Capital of the World®.

“Visitors want to get out on the river, speed along like the wind and cool off with a big spray of water; the Jet Boats don’t disappoint,” said Dan Gavinski, general manager of Dells Boat Tours.

The fast-paced trip aboard high-powered jet boats takes passengers on an exciting ride as expert pilots perform spinouts and power stops with one goal in mind – everyone gets drenched! You can ride in your street clothes, but bring a towel, because our pilots are great at maneuvering the boats to generate big waves of water. You will get soaked.

The super-charged boats are fueled by up to 1200-horsepower engines. They are designed to skim the water with the help of powerful air jets that allow them to travel in water as shallow as 12 inches. The 50-minute ride focuses on high speeds with expert pilots throttling the Jet Boat up to 40 mph to perform skilled maneuvers, all set against an awesome scenic backdrop, the towering sandstone bluffs of the Wisconsin River.

“The Jet Boats are definitely more of a thrill ride than a boat tour, but our experienced pilots know the river well and share fun facts about the Dells’ famous scenery throughout the adventure,” said Gavinski.

Jet Boats operate on both the Upper Dells and the Lower Dells with ticket booths located at either end of the bridge over the dam where the Jet Boats launch from the boat docks. Tickets can be purchased online at [www.jetboatadv.com](http://www.jetboatadv.com). Prices are \$30 for adults ages 12 and older and \$15 for children ages 4 to 11. Parents are advised that children ages three and younger are not permitted to ride the Jet Boats.

When the Jet Boat ride is over, and the famous Dells rock formations are just a blur, you can see the bluffs again in real time aboard one of the many other river excursions offered by Dells Boat Tours. Money-saving combination packages are offered with Upper Dells or Lower Dells boat cruises as well as with Original Wisconsin Ducks amphibious tours, giving visitors a variety of ways to get on the water to see the beautiful scenery.

Jet Boat Adventures 2021 season runs mid-May through mid-October. Call for departure times during the late spring and early fall as they fluctuate with the weather. Otherwise, visitors are sure to catch a Jet Boat ride every 30 – 45 minutes 10:00 a.m. to 7:00 p.m. during the peak summer season.

The splash-and-dash Jet Boat Adventures are one of several tour options offered by Dells Boat Tours. For more than 165 years, Dells Boat Tours have been a mainstay attraction in Wisconsin Dells delighting travelers of all ages. Tours run on a 7½-mile stretch of the Wisconsin River giving vacationers an up-close view of the rocky cliffs that are the signature of Wisconsin Dells.
